SAFETY DATA SHEET

MSDS 0107

1. IDENTIFICATION OF THE SUBSTANCES/PREPARATION AND OF THE COMPANY

1.1. Commercial product name: Pathozyme Dengue G Plate
Code: 13767

1.2. Company:
OMEGA DIAGNOSTICS LTD.
Omega House, Hillfoots Business Village
Alva FK12 5DQ, Scotland, United Kingdom
odl@omegadiagnostics.co.uk
www.omegadiagnostics.co.uk

2. COMPOSITION/INFORMATION ON INGREDIENTS

Contains no hazardous substances in reportable quantities

Is to be classified according to Current UK Chemicals (Hazard Information and Packaging for Supply) Regulations and the Chemicals Act as non-hazardous

3. HAZARDS IDENTIFICATION

Warnings:

The usual hygienic measures taken when handling biological materials should be observed

Substance generally non-hazardous to the waste water

4. FIRST AID MEASURES

Eye contact: N/A
Skin contact: N/A
Ingestion: N/A

5. FIRE-FIGHTING MEASURES

Extinguishing media: no restriction

Thermal decomposition : gasses which are damaging to health do not form in dangerous quantities.

Commercial product name: Pathozyme Dengue G Plate
Code: 13767

6. ACCIDENTAL RELEASE MEASURES

After spillage: N/A
Absorbent material: not necessary
Special measures to limit damage are not necessary

7. HANDLING AND STORAGE

7.1. Handling: no special requirements

7.2. Storage: store in tightly closed containers under cool conditions

Do not store together: no restrictions

8. EXPOSURE CONTROL/PERSONAL PROTECTION

Respiratory protection: none
Hand protection: disposable gloves

9. PHYSICAL AND CHEMICAL PROPERTIES

Physical state: Solid
Colour: Clear
Odour: Odourless
pH value: N/A
Boiling point: N/A
Melting point: N/A
Flash point: N/A
Ignition temperature: N/A
Explosion limits: N/A
Vapour pressure: N/A
Density: N/A
Solubility in water: N/A
Viscosity: N/A

10. STABILITY AND REACTIVITY

Hazardous reactions: none known when used appropriately

Commercial product name: Pathozyme Dengue G Plate
Code: 13767

11. TOXICOLOGICAL INFORMATION

LD50 oral: N/A
LD50: N/A
LD50 skin: N/A
LD50 inhalation: N/A
Toxicological information: N/A

12. ECOLOGICAL INFORMATION

Water hazard class: N/A

13. DISPOSAL CONSIDERATIONS

No special waste-handling cautions needed. Accordance with local regulations should be observed

14. TRANSPORT INFORMATION

This product is not subject to current regulations for transportation of hazardous goods

15. REGULATORY INFORMATION

This product does not require special labelling, in accordance with the appropriate EC directives

16. OTHER INFORMATION

This product is intended for in vitro diagnostic use only. Not for use in humans

The information herein is believed to be correct as of the date hereof and excludes any guarantee related with the final use given to the product, being the recipient the last responsible for observing the local laws applicable in each case

SAFETY DATA SHEET

MSDS 0103

1. IDENTIFICATION OF THE SUBSTANCES/PREPARATION AND OF THE COMPANY

1.1. Commercial product name: Pathozyme Dengue G Conjugate
Code: 13797

1.2. Company:
OMEGA DIAGNOSTICS LTD.
Omega House, Hillfoots Business Village
Alva FK12 5DQ, Scotland, United Kingdom
odl@omegadiagnostics.co.uk
www.omegadiagnostics.co.uk

2. COMPOSITION/INFORMATION ON INGREDIENTS

Contains no hazardous substances in reportable quantities

Is to be classified according to Current UK Chemicals (Hazard Information and Packaging for Supply) Regulations and the Chemicals Act as non-hazardous

3. HAZARDS IDENTIFICATION

Warnings:

The usual hygienic measures taken when handling biological materials should be observed

Substance generally non-hazardous to the waste water

4. FIRST AID MEASURES

Eye contact: wash eyes immediately with plenty of water
Skin contact: wash with plenty of water
Ingestion: requires medical control

5. FIRE-FIGHTING MEASURES

Extinguishing media: no restriction
Thermal decomposition: gases which are damaging to health do not form in dangerous quantities

Commercial product name: Pathozyme Dengue G Conjugate
Code: 13797

6. ACCIDENTAL RELEASE MEASURES

After spillage: can be washed off with plenty of water
Absorbent material: not necessary
Special measures to limit damage are not necessary

7. HANDLING AND STORAGE

7.1. Handling: no special requirements

7.2. Storage: store in tightly closed containers under cool conditions

Do not store together: no restrictions

8. EXPOSURE CONTROL/PERSONAL PROTECTION

Respiratory protection: none
Hand protection: disposable gloves

9. PHYSICAL AND CHEMICAL PROPERTIES

Physical state: Liquid
Colour: Purple
Odour: Odourless
pH value: 7.0
Boiling point: N/A
Melting point: N/A
Flash point: N/A
Ignition temperature: N/A
Explosion limits: N/A
Vapour pressure: N/A
Density: N/A
Solubility in water: 100%
Viscosity: N/A

10. STABILITY AND REACTIVITY

Hazardous reactions: none known when used appropriately

SAFETY DATA SHEET

Commercial product name: Pathozyme Dengue G Conjugate
Code: 13797

11. TOXICOLOGICAL INFORMATION

LD50 oral: not known
LD50: not known
LD50 skin: not known
LD50 inhalation: not known
Toxicological information: not known

12. ECOLOGICAL INFORMATION

Water hazard class: Not Known

13. DISPOSAL CONSIDERATIONS

No special waste-handling cautions needed. Accordance with local regulations should be observed

14. TRANSPORT INFORMATION

This product is not subject to current regulations for transportation of hazardous goods

15. REGULATORY INFORMATION

This product does not require special labelling, in accordance with the appropriate EC directives

16. OTHER INFORMATION

This product is intended for in vitro diagnostic use only. Not for use in humans

The information herein is believed to be correct as of the date hereof and excludes any guarantee related with the final use given to the product, being the recipient the last responsible for observing the local laws applicable in each case

SAFETY DATA SHEET

MSDS 0104

1. IDENTIFICATION OF THE SUBSTANCES/PREPARATION AND OF THE COMPANY

1.1. Commercial product name: Pathozyme Dengue G High Positive
Code: 13777

1.2. Company:
OMEGA DIAGNOSTICS LTD.
Omega House, Hillfoots Business Village
Alva FK12 5DQ, Scotland, United Kingdom
odl@omegadiagnostics.co.uk
www.omegadiagnostics.co.uk

2. COMPOSITION/INFORMATION ON INGREDIENTS

Contains no hazardous substances in reportable quantities

Is to be classified according to Current UK Chemicals (Hazard Information and Packaging for Supply) Regulations and the Chemicals Act as non-hazardous

3. HAZARDS IDENTIFICATION

Warnings:

The usual hygienic measures taken when handling biological materials should be observed

Substance generally non-hazardous to the waste water

Only blood from donors proven to have no antibodies against HIV I, HIV II, HCV and HBsAg,with the FDA-licenced tests, is used in the manufacture of this product. Since, nevertheless, the risk of infection cannot be fully precluded, the product must be handled with the same care as a patient sample.

4. FIRST AID MEASURES

Eye contact: wash eyes immediately with plenty of water
Skin contact: wash with plenty of water
Ingestion: requires medical control

5. FIRE-FIGHTING MEASURES

Extinguishing media: no restriction
Thermal Decomposition: gases which may be harmful to health do not form in dangerous quantities

Commercial product name: Pathozyme Dengue G High Positive
Code: 13777

6. ACCIDENTAL RELEASE MEASURES

After spillage: can be washed off with plenty of water

Absorbent material: not necessary

Special measures to limit damage are not necessary

7. HANDLING AND STORAGE

7.1. Handling: no special requirements

7.2. Storage: store in tightly closed containers under cool conditions

Do not store together: no restrictions

8. EXPOSURE CONTROL/PERSONAL PROTECTION

Respiratory protection: none
Eye protection: none
Hand protection: disposable gloves

9. PHYSICAL AND CHEMICAL PROPERTIES

Physical state: Liquid
Colour: Red
Odour: Odourless
pH value: 7.5
Boiling point: N/A
Melting point: N/A
Flash point: N/A
Ignition temperature: N/A
Explosion limits: N/A
Vapour pressure: N/A
Density: N/A
Solubility in water: Very soluble
Viscosity: N/A

10. STABILITY AND REACTIVITY

Hazardous reactions: none known when used appropriately

Commercial product name: Pathozyme Dengue G High Positive
Code: 13777

11. TOXICOLOGICAL INFORMATION

LD50 oral: not known
LD50: not known
LD50 skin: not known
LD50 inhalation: not known
Toxicological information: not known

12. ECOLOGICAL INFORMATION

Water hazard class: irrelevant

13. DISPOSAL CONSIDERATIONS

No special waste-handling cautions needed. Accordance with local regulations should be observed

14. TRANSPORT INFORMATION

This product is not subject to current regulations for transportation of hazardous goods

15. REGULATORY INFORMATION

This product does not require special labelling, in accordance with the appropriate EC directives

16. OTHER INFORMATION

This product is intended for in vitro diagnostic use only. Not for use in humans

The information herein is believed to be correct as of the date hereof and excludes any guarantee related with the final use given to the product, being the recipient the last responsible for observing the local laws applicable in each case
